- ① TAKE STOCK: What are your skills?
What resources do you have? Who are you connected to?
What (if any) control do you have? Who is your audience?
- ② CONTEXT: Who am I responsible to? Who is I listening
to me? What cultural, financial, social networks am I in?
- ③ LEVERAGE + CEDE: How can I use myself,
my organization, my skills, my context
to bring about change. Be an accomplice! Build
coalitions! Lend your voice + platform!

As for gentrification. It is not a bad thing
On James N.Y. has chased off the drug infested
squalor that was 25 years ago. But it
also threatens now to chase off creativity.
