

I N T E N T I O N S

You might think it's futile to try and change things. But we're going to give it a shot. Please answer the questions with as much optimism you can muster. The questions are about the relationship of Art with you, and Art's relationship with others. We need your help. Responses will be compiled and made accessible to readers during the month of INTENTS from Sept 8 - Oct 14, 2000. And we'll use them to shape strategy for change.
